in Agriculture

Country Conversations 2010

Women Winning in Agriculture

15th Annual Conference & Symposium

**Discover the role of Women in Australian Agriculture
Our opportunities,
Our Strengths and Our Positive Future**

With tough times and uncertain forecasts, what is the potential for future success? Come along to our Symposium in March and discover the very positive future that lies ahead for Australian Agriculture and the major role women will play.

Bring along your sisters, daughters or anyone who shares your passion for Agriculture

Women who believe in the future of Australian Agriculture
